Español; Realtek AC 97 Driver Windows 98 I am trying to download a USB driver for a Win 98 machine that is not connected to the internet.. Windows 98 USB Memory Stick driver I need generic storage drivers for Windows 98, For memory sticks and such.. I got to this site Windows 98 USB Mass Storage Device Drivers Is plug the drive in, Windows will recognise it and you will automatically see the drive in My Computer.. Windows 98 Is there any way to get my USB drive working on a Windows 98 computer Unlike Windows XP and later versions of Windows, Windows 98 did not come with drivers.. var q = 'windows%2098%20usb%20stick%20memory%20driver'; Lexar USB Memory Stick Driver.
